Duties and Responsibilities of Inspecting Authority.

The duties and responsibilities of Inspection Authorities as assigned under APEDA Trade Notice No. QMC/GEN/056/2014-15, dt. 20/10/2014 are as follows.

1. To inspect the registered plot or farm twice i.e. the first inspection should be carried out at the time of farm/plot new registration and the second inspection should be 20 days prior to sampling.
2. To prepare the report as per format in Annexure-4 (A) and Annexure -4 (B) and give a copy to farmer after obtaining his signature on it. And fill these forms on the GrapeNet, otherwise the farmers and exporters shall face problems as the software shall not move forward and lab analysis cannot take place.
3. The farmer and the Inspection Authority must sign and write their complete official address on each form (Annexure -4 A & B). This is mandatory..
4. The Inspection Authority shall also verify the registration records of the entire farm and also physically check whether the same is correct and complete in all respect.
5. The recommendation for allowing drawal of samples shall be made by Inspection Authority through the GrapeNet. Reasons for not recommending drawal of samples shall have to be clearly stated in column provided.
6. Inspection Authority shall carry out awareness programmes to allow use of only registered/recommended chemicals and as per the label claim for grapes as given in Annexure -5 .
7. In the event of alert information issued by the NRL in respect of a grape farm, the inspection authority shall suspend export of grapes from that farm/plot until the alert notice is revoked by the NRL based on re-testing
8. To educate the farmers for implementation of package of practices and Good Agriculture Practices (GAP) in grapes.

Kindly refer the website of apeda www.apeda.gov.in regularly for RMP Grape document and its other updates for implementation of Grapenet. Follow the guidelines issued for the implementation of RMP Grapes. For the jurisdiction of the district where there is no Inspection Officer appointed, concerned Dy. Dir. of Agriculture in the office of District Superintendent Agriculture Officer will be Inspection Officer for inspection of grape vineyard as per Grape RMP

in his entire jurisdiction. He is also the co-ordinating officer for implementation of RMP Grapes in his district which is also communicated to the concerned officers vide this office guidelines separately. For annexure 5 (List of chemicals having label claim approved for grapes), annexure 9 (List of chemicals whose residue monitoring is to be done) and entire RMP Grape document and its updates, please refer the apeda website regularly.
